

Financings roundup

**OrthoHelix raises \$14M;
Rheonix gains \$12.6M**

A Medical Device Daily Staff Report

OrthoHelix (Medina, Ohio) said it has closed its Series C round financing with a total of \$14 million raised. This round of financing brings the company's total raised since 2005 to more than \$28 million. OrthoHelix makes implants and instruments for surgeons to use during foot, ankle, hand and wrist reconstruction surgeries.
